

(ii) In coordination with BSES, arrangements have been made for greater reliability of the power supply at the Airport. In case of any fault, the improved system will allow tripping of only individual faulty feeder.

(iii) Steps have been taken to provide additional lights and pedestal fans on standby generators. In addition, battery operated lights are also being provided.

Stoppage of Flying Queen and Gujarat Express at Palghar

1943. SHRI RAM NAIK: Will the Minister of RAILWAYS be pleased to state:

(a) whether there is a demand for the stoppage of Flying Queen and Gujarat Express at Palghar of the Western Railway; and
